

Checking Placement Status

1. Login to the Portal

Log in using your official college credentials. Access the Placement Portal through the designated link provided by the Placement Cell.

2. Update Your Profile (Must-Do Before Applying)

Before applying to any company:

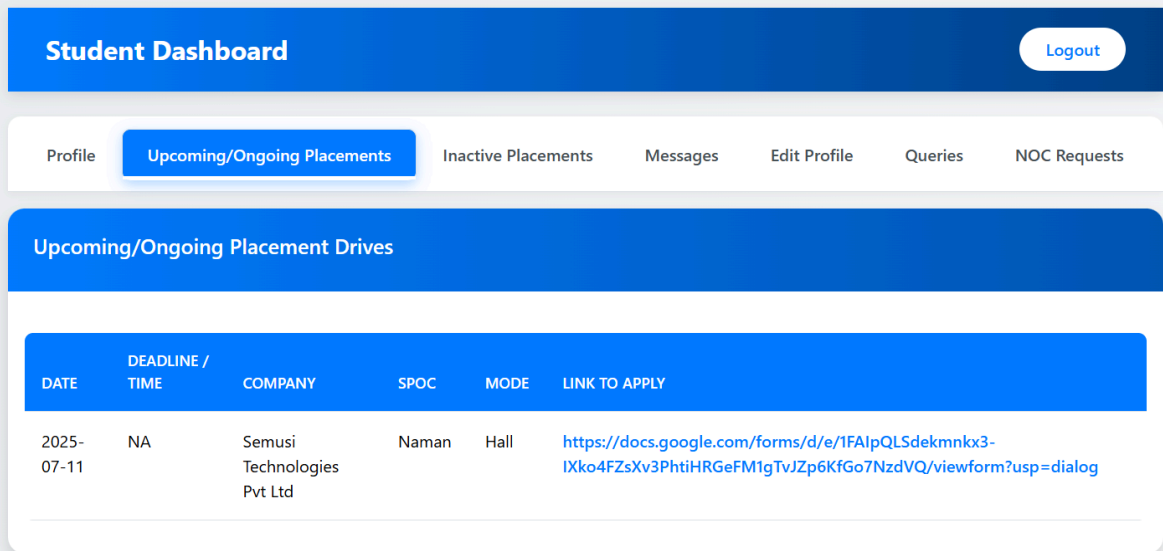

- Go to the **Student Dashboard**.
- Click on the **Edit Profile** tab in the taskbar.
- Fill out all required details: academic info, contact details, resume upload, etc.

Note: You can also view the detailed procedure for profile completion by clicking on the **Edit Profile** tab in the taskbar itself.

3. View Active Placement Opportunities

To check current and upcoming companies:

- Open the **Upcoming/Ongoing Placements** tab in the **Student Dashboard**.
- View details such as: **Company Name, Application Deadline, Mode of Placement, SPOC, Link to Apply**

DATE	DEADLINE / TIME	COMPANY	SPOC	MODE	LINK TO APPLY
